COCKTAIL

Signature Smoked Collection

Smoke Old Fashioned

RM56

“Every night at Firewood, the aroma of burning wood and charred steaks fills the air. Watching the flames, I wanted to create a cocktail that carries the same warmth and smokiness from our kitchen into the glass. The Smoked Old Fashioned was inspired by those moments beside the fire — bold whiskey, gentle smoke, and a deep lingering finish that feels comforting, strong, and familiar.”

Smoke Negroni

RM73

“Smoked Negroni was created from the idea of slowing down and enjoying the atmosphere around the fire. Inspired by the glowing embers and smoky aroma from our grill, I wanted to give the classic Negroni a deeper and warmer character. The gentle smoke softens the bitterness and brings a bold, rich finish — a cocktail made for quiet conversations, dim lights, and the comfort of a long evening.”

Firewood Exclusives

Firewood Manhattan

RM60

“Some nights at Firewood move slowly in the best way — dim lights, quiet conversations, and the comforting sound of glasses meeting the table. Firewood Manhattan was created for those moments. I wanted a cocktail that felt mature, warming, and timeless, something you could sit with through the night while the aroma of the grill lingers in the air.”

Firewood Red Sangria

RM65

“There’s something special about seeing a table full of people laughing, sharing food, and enjoying the moment together. Firewood Red Sangria was inspired by that feeling. Fresh fruits, wine, and gentle richness come together in a cocktail made to feel welcoming, relaxed, and easy to share with the people around you.”

Firewood Olive Martini

RM60

“Watching guests enjoy quiet moments at the bar inspired this drink. Firewood Olive Martini was created with simplicity in mind — cold, clean, and confident without needing too much. The subtle savory touch from the olive gives the cocktail depth, creating something elegant that slowly opens up with every sip.”

Refined & Refreshing

Yuzu Whiskey Sour

RM65

“I’ve always liked the contrast between strong and delicate flavors. Yuzu Whiskey Sour was created from that idea — the bold warmth of whiskey balanced by the bright citrus aroma of yuzu. The result is a cocktail that feels lively at first sip, then smooth and comforting as it lingers.”

White Linen

RM65

“White Linen was inspired by calm evenings when everything feels effortless — soft music, cool air, and easy conversations. I wanted to create a cocktail that felt light and refreshing without being complicated. Clean citrus and gentle floral notes come together to give the drink a relaxed and comforting character.”

Blue Lagoon Sour

RM60

“Not every cocktail needs to feel serious. Blue Lagoon Sour was created to bring a little energy and fun into the night. Bright in color and refreshing in flavor, it’s inspired by carefree moments with friends, where the mood feels light and the evening seems to move a little slower.”

Vibrant & Fruit-Forward

Passion Fruit Margarita

RM60

“This drink was inspired by nights that start casually and somehow turn into unforgettable memories. The vibrant aroma of passion fruit blended with tequila creates something bold, juicy, and full of life. Passion Fruit Margarita was made to feel exciting from the first sip to the last.”

Mojito(Classic/Strawberry/Mango)

RM45/55

“There’s a familiar comfort in a Mojito that never goes out of style. Built around fresh mint, citrus, and refreshing flavors, this cocktail was created for easy drinking and good company. Whether you choose Classic, Strawberry, or Mango, each version carries the same refreshing spirit with its own personality.”

Espresso Martini

RM60

“Espresso Martini was inspired by the atmosphere at the end of service — low lights, tired smiles, and conversations that somehow continue late into the night. The richness of espresso and the smoothness of vodka come together to create a cocktail that feels bold, comforting, and quietly energizing at the same time.”
