Our Beef Philosophy

At Firewood, great beef begins long before it meets the flame.
With a deep respect for breed, farm, feeding, and selection.

Chef Yang Hao favours grain-fed beef for its superior marbling and depth of flavour, shaping a style that is rich, balanced, and consistent.
Every cut is prepared thick, because for Chef Yang Hao, a thicker cut simply tastes better.

We cook exclusively over a combination of **Malaysian Bakau Wood** and **Binchotan Charcoal** where bakau imparts a gentle smokiness, and binchotan delivers steady, high heat for precise, even cooking.
